

Fleet Services

Bus Services

Fleet Services provides two types of bus transportation available to registered students, registered student groups, faculty and staff of the University of California.

Davis/Berkeley Intercampus Bus Service

Daily Intercampus Bus service is available for transportation between the Davis and Berkeley campuses. The Intercampus Bus service runs year around, seven days a week, with the exception of some [holidays](#). Check the shuttle schedule for details. Information and schedules may be found on our [UC Davis/Berkeley Shuttle](#) page.

Charter Bus Service

[Charter bus services](#) are available for groups up to 57 passengers in a single bus or larger groups in multiple buses. Fleet Services can provide professional drivers to transport you and your group safely and quickly to your destination, no matter where it may be in California or beyond. Scheduling is flexible to meet your needs and pricing is competitive. Submit an online [trip request](#) or call today and see what we can do for you!
