

Fleet Services

Fleet Vehicle Operations

Fleet Services provides short and long term vehicle rentals ([rate sheet](#)) for the University of California, Davis.

Daily Rental Vehicles

Fleet Services offers a variety of vehicles for daily or short term rental use by registered students, faculty, and staff with authorization. Sedans, vans, light and heavy duty trucks are available. Additionally, Fleet Services outsources vehicles from private vendors to fulfill customer requirements. For more information about daily rentals and making a reservation [click here](#).

Longer Term Assigned Vehicles

Fleet Services assigns vehicles to University departments and organizations who have an established requirement for ongoing transportation needs. For more information on determining if your organization [qualifies](#) for an assigned vehicle.
